

Commitment to Sustainability Statement for Squareone International (Pty) Ltd

At Squareone International (Pty) Ltd, we are committed to promoting sustainability in all aspects of our operations. We recognize that our business has an impact on the environment, society, and economy, and we strive to minimize that impact through responsible and sustainable practices. We are committed to:

1. Environmental Sustainability

We promote environmental sustainability by minimizing our environmental impact through energy efficiency, waste reduction, sustainable procurement, and environmental awareness.

2. Social Responsibility

We prioritize social responsibility by respecting human rights, promoting diversity and inclusion, supporting our local communities, and empowering women.

3. Economic Development

We contribute to economic development by creating jobs, supporting local businesses, and promoting innovation and entrepreneurship.

4. Ethical Conduct

We conduct our business with the highest standards of ethical conduct and integrity, and we comply with all relevant laws and regulations.

We believe that sustainability is not only good for the environment and society, but also good for business. By promoting sustainability in our operations, we can improve our performance, reduce our costs, and create value for our clients and stakeholders.

We are committed to empowering women by promoting gender equality and diversity in our workplace, providing opportunities for professional growth and development, and supporting women-owned businesses in our supply chain.

We are committed to continuous improvement and to working with our clients, partners, and stakeholders to promote sustainable practices and to build a better future for all.
